SECRET

MEMORANDUM FOR THE TCO/CIA

SUBJECT: Request for Billet

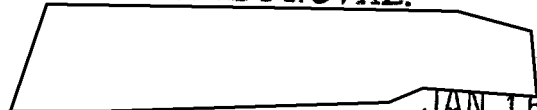

It is requested that the position of Science Adviser be approved for clearance in the TALENT system.

This position was activated on 13 January 1958 with the appointment of Dr. William R. Brode. Dr. Brode will advise the Secretary and Department officers on matters relating to scientific developments which affect foreign policy and will direct the work of science attaches overseas. It is considered essential, therefore, that this position be cleared for TALENT.
